Maison de village Grimaud

This 90 m² house seems like a great opportunity! With its three bedrooms, one of which is en suite, it's ideal for a family. The 60 m² garden and terrace offer a pleasant outdoor space, perfect for enjoying sunny days. On the ground floor, you'll find two bedrooms, one with a corner bathtub, adding a touch of comfort. Upstairs, the living and dining rooms with fireplaces create a warm ambiance, and the open-plan kitchen is convenient for meals with family or friends. This house's strong points, such as double glazing, reversible air conditioning, and the absence of co-ownership fees, are significant assets. In addition, the large garage with mezzanine offers additional storage space. Its location on the edge of the village, while being close to amenities, is also an advantage.
