House Gassin

This villa between Gassin and La Croix Valmer seems like a real gem! With its 150 m² of living space and spacious grounds of 4,000 m², it offers an ideal living environment. The welcoming entrance hall and elevator add a touch of comfort, as do the ground-floor bedroom and guest toilet with shower. The bright living room, with its fireplace, promises cozy moments, and the dining room, which opens onto a southeast-facing terrace, is perfect for enjoying sunny days. The open, fully equipped kitchen is a definite plus, especially with direct access to the garage. Upstairs, the two large bedrooms with walk-in closets and the third bedroom offer a pleasant private space, complemented by a functional bathroom. Outside, the sunny terrace and large swimming pool surrounded by beaches are ideal for relaxing while enjoying the wooded garden. With plenty of parking space, including a garage and a double carport, this villa is not only spacious but also practical. And with air conditioning and natural light throughout, this is an opportunity not to be missed!
